

# BRIGHT EXTRA

M12023

Concentrated one shot detergent

## PRODUCT

BIO BRIGHT EXTRA is a very effective neutral premium liquid detergent and disinfectant designed for laundry auto-dozing. It is formulated with very effective surfactants, pre-soaking and anti re-deposition agents, brightness and absorbency enhancing additives and triclosan disinfectant. It is safe for all kind of linens and domestic garments.

## FEATURES AND BENEFITS

- Excellent detergency and cleaning efficiency
- Built in disinfectant
- Prevents the greying of white fabric by soil re-deposition
- Sequesters large number of metal ions
- Highly cost effective when used in automatic dispensing system
- Improves appearance and whiteness consistently in every washing
- Effective in all water conditions

## APPLICATION

BIO BRIGHT EXTRA is recommended for both white and coloured textiles. Works well with detergency boosters. This product can be dispensed both manually and through auto dispensing system.
