

SOFT TROPICAL BREEZE

Luxury Perfumed Fabric Softener

PRODUCT

BIO- SOFT TROPICAL BREEZE is a luxury perfumed fabric softener and neutralizer, specially formulated to reduce drying time, wrinkling and enhance ironing and tensile strength of fabrics. This non yellowing softener enhances lubricity, softness and antistatic properties of treated fabrics. Specially formulated rich perfumes used in this unique blends are stable at moderately high temperatures. This product can neutralize alkalinity to bring the residual finish pH 6.5.

FEATURES AND BENEFITS

- Luxury perfume
- Non yellowing
- Neutralizer
- Hydrophilic

APPLICATION

BIO SOFT TROPICAL BREEZE can be added during or after the sour bath. If the rinse water is moderately alkaline, it will act as a neutralizer to bring the finish pH to 6.5. Application bath temperature should not exceed 40°C. It is recommended for all type of cotton textiles. Avoid over heating of textiles in the dryer.

DIRECTIONS FOR USE AND DOSAGE

Description	Specification
Application point	The sour bath
Temperature	30 - 40° C
Water level	Low
Time	5 Min
Dosage	3 - 5 ml / kg

PRODUCT DETAILS

Description	Specification
Appearance	Milky white liquid
pH	2.5 - 3
Character	Mildly cationic
Solubility	Readily soluble in water
Temperature range	30 - 40° C
Phosphates	No
Optical brightners	No
Neutralizer	Yes
Perfume	Yes
Compatibility	With non ionic & cationic products
Dispensers	Manual / liquid dispensers

TECHNICAL SUPPORT

Our technical service team has developed the following technical tools to assist our customers for optimum product performance.

- Product application training
- Laundry training manual
- Brilliant wash formulas

PACKAGING

25 Ltrs Can.

SHELF LIFE

12 months from the date of manufacturing.

LCT170110/01

JAN 2015

Health and safety

Xi (Irritant)

- Do not ingest
- Do not breathe dust
- Do not pre-mix with other chemicals
- Keep out of reach of children

Wear suitable gloves

Cause Irritation to eyes and skin. Harmful if swallowed. Wear suitable gloves and eye face protection. In case of contact with eyes rinse immediately with plenty of water and seek medical advice. Keep away from heat and live flames. Please see msds for complete health and safety information.
